   The High Wycombe neighbourhood East team have just achieved their 7th Closure Order in as many months.

Closure orders prevent individuals attending an address for a specified amount of time, they are imperative in the prevention of Anti-Social Behaviour and the safeguarding of our most vulnerable in the community. Our neighbourhood team proactively act on any reports from members of the public and our partner agencies with concerns about properties and residents.

Our goal is to stop any incidents of cuckooing - this is the act of exploiting vulnerable people by taking over their home as a base for dealing drugs, we also ensure we get the right support for those who need it.

If you have any concerns about a person or property and you wish to report it, you can do so via 101 or online at <https://orlo.uk/ZJOM0>

You can alternatively report anonymously with <https://orlo.uk/MmXOz> - 0800 555 111

Always dial 999 if a crime is in progress or you at risk of harm.

 INCIDENT 

We are currently supporting our colleagues from Buckinghamshire Fire & Rescue Service who are dealing with a large industrial fire in Rutland Avenue.

There are local road closures in place and we would urge those in the immediate area to keep doors and windows closed while the fire is being tackled.

🔒 JAILED

This is Drew Harrison, aged 41, of Denham.
He has been jailed for 9 years for multiple counts of sexual activity with a child and sexual grooming.
He targeted and preyed on a female child over a number of months back in 2022 and 2023.
We will never tire at pursuing those who display such abhorrent and predatory sexual behaviour against children.

PC Batkin, PCSO Cabbage and our Roads Policing Team were out today on a road safety operation across Princes Risborough. Tackling the 'fatal four', speeding, seatbelts, phone use & impairment. Locations were based on community feedback. Tickets were given for these offences.

Today Neighbourhood Officers conducted a Clear Car Campaign in Chesham with the Community Safety Team. Any owners of vehicles with valuable items on show will be receiving a crime prevention letter to remind them of the importance of NOT leaving valuables on display.

Thank you to the members of the public who came to talk to us today!

This week you may have seen a new face out and about in the Chalfonts - your new Neighbourhood Officer PC Hay 🇮🇪 has joined the team and he's already been responding to your calls and getting to know the area.

If you see him out on patrols, make sure to say hello! 🍀

There have been a number of burglaries reported in the Penn area, on the border with Beaconsfield recently. Yesterday a Neighbourhood Officer carried out patrols in the area to provide visible police presence and reassurance to the residents there, and to deter further criminal activity. Local residents were spoken to and commented on how grateful they were to see police.

If you see something suspicious or out of place in your area, please report it to us on 101, your reports are valuable in making us aware of what is going on in your area.

Pcso Day was on patrol this morning after concerns raised about parking outside Woodside Primary School, Amersham. It is the drivers responsibility to help keep children safe by parking further away & not on the zig-zags area. Thankyou to all who spoke with Pcso Day #engagement

Today the Police, Council and representatives from the Muslim community had a meeting about the disorder in Castlefield in October. With an ongoing investigation, multiple arrests so far, we want to ensure that the message is heard that "This behaviour will not be tolerated."
