

# Free Doorstep Crime & Scam Awareness Webinar.

**Tuesday 11 March at 1:30pm – 3pm on Microsoft Teams**

Doorstep crimes occur when individuals come to your door with the intent to scam you out of your money or gain access to your home. To learn more about how to protect yourself, join this webinar which includes Milton Keynes City Council's Trading Standards Team.

The webinar will also focus on illegal money lending (or loan sharks), we'll be joined by The Illegal Money Lending Team, a specialised criminal investigation unit, based in Birmingham. Our final speaker, from Acorn Community Bank, will provide information on their services available to residents in Milton Keynes.
