Neighbourhood Officers patrolled a local school in Amersham this morning at drop-off time following reports of parking issues. We were pleased to see that most drivers were adhering to the parking restrictions, however one vehicle received a ticket for unnecessarily obstructing a footpath.

Please be considerate when parking at local schools, poor parking can have an impact on local residents and members of the public needing to use the roads and pathways safely.

The Wendover NHPT this morning held a HYS at the Red Kite Centre, Aston Clinton. This proved to be very successful 😊 we spent time discussing issues in and around Aston Clinton and issues were brought up that we can do our very best to address and deal with. Goodies were handed out and time was spent with the local dog walkers enjoying their coffee ☺ We will be at Wendover Woods on February 19th from 10:00/11:00 so please pop up to see us 😊 #NHPT #ASTONCLINTON #C9855

The Princes Risborough Neighbourhood team visited two local preschool's this morning to talk to children about our role in the community and what we do. Also we gave the children a chance to try on police equipment, ask questions and have a look at the police car !! It was great to speak to the staff and children and thank you for the hand drawn pictures.

If you would like to organise a school visit for your local school, please feel free to email [princesrisboroughnhpt@thamesvalley.police.uk](mailto:princesrisboroughnhpt@thamesvalley.police.uk).

Thanks to an eagle eyed local in [#ChalfontStPeter](#) this vehicle is now off the streets 🙌

Not only had it been left parked on the zebra crossing zig zag lines putting pedestrians at risk but it was also untaxed, lacking an MOT and displaying false number plates 🚔

Tonight the Wycombe cadets had a slightly different evening from normal, we ventured out and visited Bucks New University!

Many of our cadets are considering a career in the police so it was great to see some of the facilities the university has for their policing and criminology students; for others it may have opened their eyes to their options after school and college.

We were lucky to tour all around the High Wycombe campus, as well as taking part in some fun games and activities. We had a go at spotting patterns in fingerprints and there were some impressive (and brave) budgeting skills in the Money Mastermind activity!

We are out on the beat in [#GerrardsCross](#) 🚔

Say hello if you see us 🍌

PCSO Gareddu and PC Wood from the Wycombe West neighbourhood team were at the BP on West Wycombe Road earlier today for a pop up police station, where they engaged with lots of local residents and provided advice around burglary prevention. Where would you like to see the West team pop up next?

We are aware of an upcoming pony and trap event expected to take place around the Gerrards Cross and Chalfont St Peter area this weekend. We understand the concerns of our community and local businesses, and want to reassure you that we are taking proactive steps to minimise any disruption.

Thames Valley Police has an extensive policing operation in place and will have a proportionate presence at the event to implement preventative measures and ensure public safety. While pony and trap riding itself is not illegal, our priority is to maintain road safety and minimise any inconvenience to residents, businesses, and road users. Officers will take appropriate action where necessary if criminal offences are identified.

At this time, we encourage everyone to continue their usual activities as normal and have not issued advice to close businesses.

We are committed to working with organisers and our partners to manage these events effectively in the future and ensure the safety and well-being of our communities.

Following intelligence that an unauthorised pony and trap event is due to take place around the Gerrards Cross and Chalfont St Peter area this weekend, a Section 34 dispersal order will be in effect from 3am tomorrow (08/02) until 3am on Monday (10/02) 🚨

This will give officers extra powers to deal with anti-social behaviour and crime in the mapped area below 📍

We have an extensive policing operation in place to implement preventative measures and ensure public safety. Our officers will take action where necessary if criminal offences are identified.

If you're in the area and have any concerns, you can speak to any of our officers who will be on patrol today and throughout the weekend 🚓 🚔

Neighbourhood Officers teamed up with [Buckinghamshire Community Safety](#) today at Dr Challoner's High School for their Mental Health Day event. We were really encouraged that so many students wanted to come and speak to us about how they can stay safe and take crime prevention resources.

It's been another busy week for our Special Constabulary, in particular on Thursday (06/02).

S/Sgt Gill supported ICR colleagues in the South Sector at a serious road traffic collision on the A40 between Beaconsfield and Gerrards Cross which saw the road closed for several hours for investigation. 🚚📻

In the North Sector, SC Richards was busy supporting Wing NPT, conducting pro-active patrols of Pitstone, Cheddington, Ivinghoe and surrounding village in response to thefts from vans. 📻 He identified a suspicious vehicle that promptly disappeared, tenacious as always SC Richards found the car with the occupants having left it abandoned. Checks found it to have no keeper or insurance so it was seized. 🚗📻

Wing NPT supported by the Special Constabulary will continue these proactive patrols across their area, though you can help us protect your property by removing tools from vehicles overnight, and registering electronics, bicycles, tools and equipment on the National Mobile Property Register for free at <https://orlo.uk/cqA5F>

Finally we also welcomed SC Tebbutt to Aylesbury, and will shortly be on patrol with ICR T5 once he completes initial training next weekend. 📻 [#JoinOurTeam](#)

Rural crime has dropped 20% in Thames Valley since this time last year! Our goal is to further reduce that further.

PC LENNARD and PC KUMA attended a joint partnership event on detection and investigation techniques to reduce Rural and Construction Site theft. We will be looking to visit a number of farms in South Bucks to meet our local farmers. #P0354 #P4693 🚒 🚚

Today Police and DVLA officers targeted Castlefield, West Wycombe Road and Downley following complaints from residents of poor parking and vehicles having no tax.

If you park on the pavement, and are obstructing it, you are putting people at risk. #Op Happen #wycNHP

👮 Officers were deployed following a report of a number of people within a car believed to be carrying weapons in Kings Mead Road area of High Wycombe at around 2.45pm 🚗  
Firearms Officers attended and stopped a car in Lane End Road.
