PC Brooks and [Councillor Simon Rouse](#) attended Chalfont St Giles Infant School and Nursery today to observe the parking issues on School Lane/Silver Hill at drop off times.

A reminder to parents driving to school to drop off/pick up children, if you see double yellow lines along the side of a road, it means that parking or waiting is prohibited. Please park where safe to do so.

Thank you to everyone helping to keep our school children safe!

Yesterday evening (2/2) our Special Constabulary officers were deployed across the LCU executing outstanding Warrants for Failing to Appear at Court. 📌

Targeting 10 individuals, we identified one person had left the country 🇬🇧

One male was arrested in relation to driving offences, spent a night in our cells and will be back in front of a judge this morning.

The remaining individuals were not found, but we developed new intelligence on their locations which will assist on future arrest attempts.

We'd like to extend our thanks to one of our Armed Support Vehicles that joined us at a couple of our higher risk addresses. [#teamwork](#)

Throughout the shift we also diverted to support our ICR colleagues looking for a high risk missing person and responding to reports of a dangerous driver.

We'll be continuing these arrest operations throughout the year, so to those who know they're wanted now is the time to voluntarily surrender to your nearest police station [#WeAreComing](#)

Today we received numerous reports of pony and trap racing on the A413 Chalfont St. Peter. Officers from the Neighbourhood Team supported by Roads Policing attended the location. We continue to work with partner agencies and all communities to secure a long-term solution to issues reported.

Officers have made one arrest in relation to this incident and we are not looking for any further suspects. West Wycombe Road has now re-opened. Today our year 6 Mini Police group from Disraeli School enjoyed their postponed reward activity from the end of last year, a trip to Bucks New University in High Wycombe! As the university is a big part of the community here, I work closely with them and wanted the children to see what they have to offer and learn a bit about the opportunities they provide.

We started off by learning a bit about the university and taking part in a fun quiz, then were treated to a tour around some of the university's fantastic facilities, like the sports hall, library, lecture theatres and even the recording studios for the music courses! We then had time for snacks before a final game and activity.

Thank you so much to the university staff and student ambassadors for putting this on for us, our Mini Police officers had a brilliant time and learnt so much about what university life is like and the types of courses on offer. I'm sure there were some inspired children by the end of the morning!

It was also my last outing with this Mini Police group, as they complete their year on the scheme and now move on to concentrate on SATs. They've been great fun to work with and I'm looking forward to welcoming the new year 5 Mini Police officers for 2025. Stay tuned to see what we get up to!

Wycombe officers joined forces with Trading standards this week 🍌  
They visited some local shops to check they are adhering to the laws in relation to the sale of tobacco and vape products.  
A large amount of tobacco products were seized due to being either counterfeit or illegally imported, and an impressive amount of vapes were seized due to being uncompliant with dosage or strength regulations 🚫

🚫 Do not pass go 🚫 Do not collect £200 🏠 Go directly to jail...

Our message to drug dealers is clear, we know who you are and it is only a matter of time before you are arrested, charged and jailed.

Muhammed Saleem and Ian Lewis were jailed for three years and one year and ten months, respectively for drug dealing in Wycombe.

They were operating a drugs line called 'Major', using mobile phones to sell drugs.

Through various tactics, we gained intelligence about the drugs line and arrested them.

Colleagues from our Chalfonts and Amersham Neighbourhood Teams along with our Schools Officer had a great time at The Chalfont Community College Career Event this morning. Lots of interest and questions on the wide range of roles within TVP – thank you to everyone who came to have a chat.

Neighbourhood officers and PCSO's attended The Great Orchestra of a Christmas charity event this weekend in [#StokePoges](#) where money was raised for paediatric and elderly care. It was a great event, thank you for having us and thank you to everyone who came and spoke with us.

Over the weekend officers from the West Neighbourhood team were patrolling the Downley / Disraeli area when they sighted a suspicious looking BMW. Following a short pursuit 🚓 and an even shorter foot chase 🏃 officers caught the Male who was arrested for:

- Dangerous Driving
- Failing to stop for a constable
