Marlow Neighbourhood Police Officers attended today's career fair at GMS, attended by years 9-12. There was LOTS of interest for careers with TVP for policing and support roles - We hope that we were able to provide some advice and guidance to those students.

Well done to GMS for a fantastic event 🍷

PC Mayhew and PC Brooks were out patrolling in [#ChalfontStPeter](#) this afternoon when this vehicle was spotted on the zig-zag lines on Market Place. 🚗 🧑🏻‍🚒 A ticket was issued to the driver as a result.

👉 Parking on zig-zag lines is a safety risk to pedestrians using the zebra crossing, so please pay attention to road markings and ensure your vehicle is parked in an appropriate, safe place.

Last night (13/02), S/Sgt Gill and SC Davey began their shift by attending a road traffic collision in Denham, where a motorcycle 🏍️ had collided with a car 🚗 .

Thankfully, the rider was unharmed this time.

As the rider's phone had broken, officers arranged for recovery and ensured the rider's family were notified.

🕒 Later in the evening, they carried out high-visibility speed enforcement around Loudwater and Flackwell Heath. 🚔

Several drivers were stopped and spoken to about the risks of speeding and other offences, such as forgetting to turn their headlights on and illegal number plates. #RoadsideEducation #Highwaycode

!?! As a reminder, all number plates (including personalised), must meet the following requirements:

- Be made from a reflective material with the correct colour.
- Have the correct font and spacing between characters
- Have a mark indicating the manufacturer of the number plate.
- Display the British Standard number, BS AU 145e, for plates fitted after 1st September 2021.

Be cautious of suppliers offering cheap or illegal numberplates. Always purchase plates from a trusted supplier and ensure they meet the required standards. ✅

Our awesome volunteer police cadets joined forces with the Special Constabulary & neighbourhood officers on a speed check in #Beaconsfield yesterday 🚔

What did you get for Valentines Day? ❤️

A number of people were given tickets due to exceeding the speed limit , some doing as much as 38mph in the 30mph zone !!

The Princes Risborough and Wendover Neighbourhood Team were out across our neighbourhood policing areas on 14th February carrying out a speed operation. We visited a number of locations across Longwick, Princes Risborough and Wendover. These were decided as a result of multiple speed surveys which identified the areas of most concern.
