OP GROTTO 🌐

Officers from the Priority Crime Team and NHPT have been completing patrols this evening, as well as attending reports of burglaries. Our detectives attended a report of a residential burglary in Farnham Common, where an investigation is underway. High visibility patrols were also completed around the rural areas of the Aylesbury Vale, including Cuddington, Whitchurch and Buckingham. Whilst patrolling, we came across an RTC, thankfully no one was hurt and their vehicle was pulled out of the ditch by a kind local. Please remember to give us a call if you see anything suspicious.

PC Brooks and PCSO Dobbin attended Fulmer Infant school this afternoon following reports of inconsiderate parking at school drop off/ collection time

A reminder to parents driving to school to drop off/ pick up, there is NO stopping on the yellow zig-zag lines, even just to let children out the car. Please park where there is space and walk children to the entrance. Please also be considerate to others when parking - if waiting for a space and holding up traffic, instead please continue on and park a little further away so that the road doesn't become blocked.

Thank you to everyone helping to keep our school children safe!

⚠️ Were you in Healey Avenue or Greaves Road in Wycombe on Saturday 14 December? ⚠️

The victim was walking down Healey Avenue from Greaves Road at about 7pm when she saw a man on the opposite side of the road exposing himself.

The victim said the offender was swaying, so could have been intoxicated or unsteady on their feet. The offender is a white man in his fifties, of large build, 5ft 7ins tall, wearing a black puffer jacket and with black headphones.

There were a number of vehicles that were driven by the offender at the time, so we would ask motorists to please check dashcam to see if you captured the offender.

📱 If you have any footage or information then please contact us via our website or by calling 101, quoting investigation reference number 43240605939.

**Appeal**  
Thames Valley Police

We are looking to reunite victims with medals found during a house search, which are believed to have been stolen.

📄 The medals were recovered in Chesham on 30 September.

Investigating officer PC Peter Lathwell said: "We are appealing to anyone who believes that the medals may belong to them or their loved ones to get in touch. We have contacted the Grand Masonic Lodge of England to establish ownership, but are now seeking the public's help in identifying who these belong to. Proof of ownership will be required to be able to return them to their rightful owner. If you believe any of these medals are yours, please call 101 or make a report online, quoting reference 43240469797."

Earlier this week our Mini Police officers from Beechview School in High Wycombe joined us at the police station for a tour around custody and our police vehicles 🚓 🚒

They got to see where prisoners are booked in when they arrive at custody, the search cells & prisoners' cells, and interview rooms. Then they had a chance to sit in the back of the police van and try out the lights and sirens.

Thank you to the school staff for bringing them down to visit us - we look forward to seeing our Mini Police again in the new year!
