PCSOs from the Wycombe West neighbourhood team went out in Castlefield today with the local parking wardens for a joint operation 🚔🚓  
This resulted in 26 cars being issued with tickets 📄

...

...

Reminder: the pavement is for pedestrians! 🚶

PCSOs from the Wycombe neighbourhood team spotted this car parked very inconsiderately on White Hart Street where it remained for over half an hour, blocking the dropped curb which is particularly unfair for wheelchair users, mobility scooter users and parents with pushchairs

A ticket was promptly issued. Please remember to park appropriately and legally when visiting the town centre, and anywhere else 🚶🚗

We'd a productive meeting with representatives of the Wycombe Mosques yesterday. A big area of concern is the rise in the use of balloons with NOS. This drug is dangerous. Please take a few minutes to see the risks for yourself and please share link.

### ⚠️ KEYLESS ENTRY CAR THIEVES OPERATING IN MARLOW AREA ⚠️

We are currently investigating a report of a suspicious male at a premises at 02:10hrs on Tuesday morning 15/04/2025.

Having reviewed the CCTV footage, it appears that the male was holding an electronic device near to the front door of the address, trying to intercept the signal being emitted from the high-end vehicle parked on the driveway. Fortunately, the owners had taken the precaution of keeping their car keys in Faraday pouches to stop signals being accessed by thieves.

Help to protect your keyless entry vehicles:

- ✅ Keep keys in Faraday pouches
- ✅ Keep all keys away from the front of your property
- ✅ Use a mechanical steering lock as an additional deterrent
- ✅ Block desirable vehicles in using another vehicle or security post
- ✅ Garage vehicles where possible

Please share this post and warn others.

For anyone in the Marlow area requiring a Faraday pouch, we have a limited stock available FOC - Email to 'HighWycombeRuralNHPT@thamesvalley.police.uk'.

Neighbourhood Officers conducted speed checks in Amersham and Chalfont St Giles recently in a bid to remind drivers to stick to the speed limit. 🚔 🚔

It must have worked because no vehicles were caught speeding on this occasion! 🍀

...

Today at Amersham, local officers met with John REILLY of the [GTL](#), to discuss ways to improve our engagement, and encourage wider community cohesion.

Talking points included the police management of recent Pony & Trap events in the Chalfonts, the attitudes and motivations of some local businesses, and suggestions on how road safety concerns, and coinciding anti-social behaviour, could be lessened.

A very positive meeting, which offered optimism for the future.

If you own this Saab that failed to stop for police this evening on Brockhurst Road in Chesham, and then ran from police, we have your vehicle!

Please feel free to come to Amersham Police Station to ask us where the vehicle is. However, we may have a few questions to ask you first... 😊

👤 📍 BEACONSFIELD OLD TOWN CHARTER FAIR 📍 📍

As some may be aware, the 756th Beaconsfield Old Town Charter Fair is taking place on Saturday 10th May 2025! 📅

Please expect road closures in Beaconsfield Old Town from 1400hrs on Friday 9th May until 1000hrs on Sunday 11th May.

There will be a temporary traffic restriction order in place from 1600hrs on Friday 9th May so please ensure the road parking areas are clear of any vehicles by this time.

Please note that no parking is permitted in Beaconsfield Old Town, including Lakes lane, on these dates so make sure to make alternative arrangements! 🚗 🚶 🚲

Speeding is a concern to the public so it was great to see [TVP Roads Policing](#) provide valuable training to our volunteer officers from the Special Constabulary.

Have you ever thought about joining as a volunteer constable? As a Special, you wear the same uniform, carry the same equipment and hold the same power of arrest as your regular police officer colleagues. <https://orlo.uk/gUdku>

TVP South Buckinghamshire

Response Officers were called to attend an incident this morning where we received a report of youths inside a derelict building on Chesham high street. The officers located the two individuals involved and appropriate action was taken. 🙌👮

This is becoming an increasingly regular occurrence at this location, which is a concern as the building is not safe, there is a lot of damage internally and many health and safety risks as a result. No-one should be entering this site, if they are, they are trespassing and if caught will be dealt with robustly!

Remember, if you see anti-social behaviour in your area please report it to us on 101, or in an emergency call 999, so that we can tackle these issues as quickly as possible.
