We were out in the Eden Centre in Wycombe this morning doing a pop up police station with our friends from the Rape & Sexual Abuse Support Service (RSASS) in recognition of National Stalking Awareness week this week. Good to talk to the public about the support available for victims not only of stalking, but domestic abuse and sexual offences too. Lots of questions too about other issues which is great, that's what we're there for so please do come and have a chat any time you see us out & about!

Three weeks ago we posted about an urn that had been left at Mary Magdalene Church in Dorney, sadly no one came forward to claim ownership. Our Force Chaplain Michael Burmingham, held a committal service with representatives from the church, local community and NH team.
