OP GROTTO

Tonight officers from the Priority Crime Team and Neighbourhood Team have been completing high visibility patrols in South Buckinghamshire, including Iver, Gerrards Cross and Chalfont St Peter. They have stopped several vehicles in the area, these were all in order and let on their way.

Top tips to remember:

- double check you've locked all your doors and windows before leaving
- keep bags and keys away from your letterbox or cat flap
- use a timer to automatically turn lights on

👉 FOLLOW THESE TIPS TO KEEP EVERYONE HAPPY AND SAFE THIS HALLOWEEN.....

Chipping Wye PCSO C7439 Guy Robinson visiting local shops at Flackwell Heath yesterday, ahead of Halloween.

If you have young children:

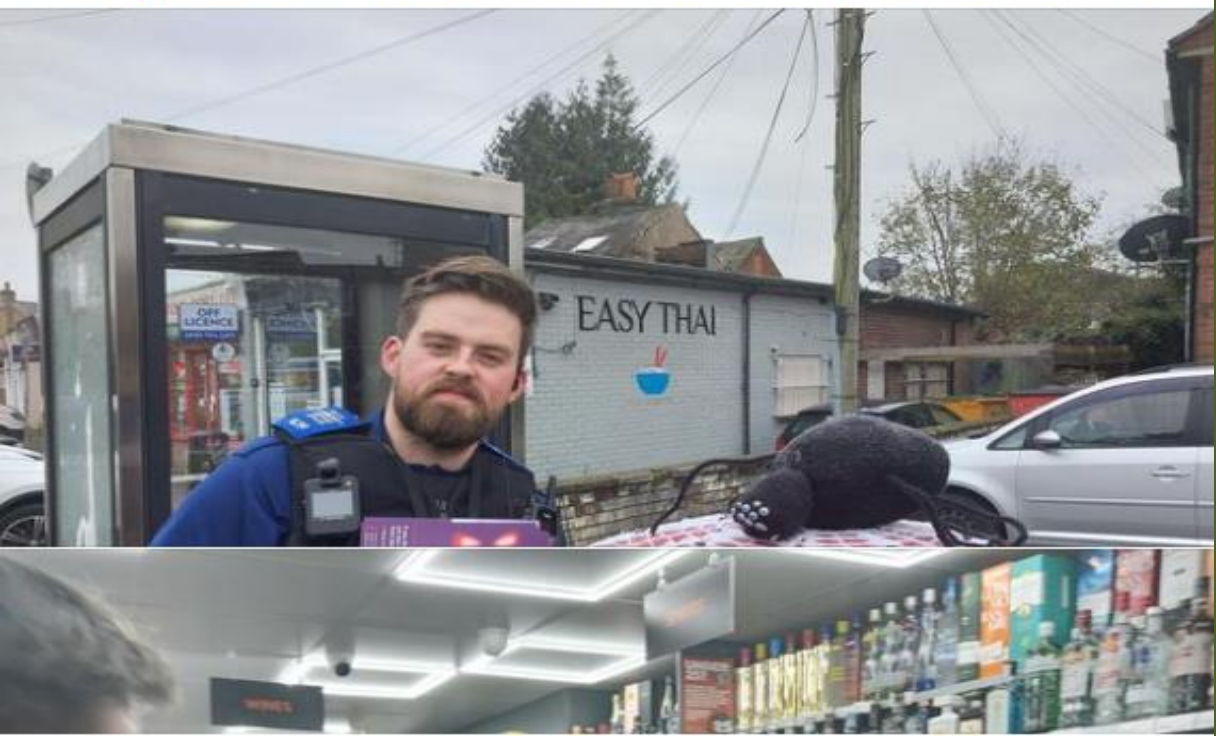

- ❌ Never let them go trick or treating on their own
- ❌ Make sure you accompany them and only visit people you know

If you have teenagers:

- ! Make sure they don't have access to fireworks, alcohol, eggs or flour.
- ! Explain why they must not play tricks on strangers.
- ! Tell them that if nobody answers the door, or a 'No trick or treat' sign is on display, they must leave immediately.
- ! Remind them to stay with their friends and make sure they know that they should never enter the home of a stranger

- ✅ Stay safe
- ✅ Keep everyone else safe
- ✅ Respect your community
- 😊 Have fun!

Vans targeted in 'Hotel Car Parks' in South Bucks Area! Most recently Denham and Gerrards Cross.

Own or drive a van?

Are there expensive tools or other items left in it overnight?

If the answer is YES - please remove them (if possible) or risk thieves removing them instead.

Not possible to remove items?

Consider parking in a way that blocks/restricts entry to rear/side doors (against a wall, back to back with another van etc).

If possible, park in a well lit area and or close to CCTV cameras. Park near reception or close to building windows.

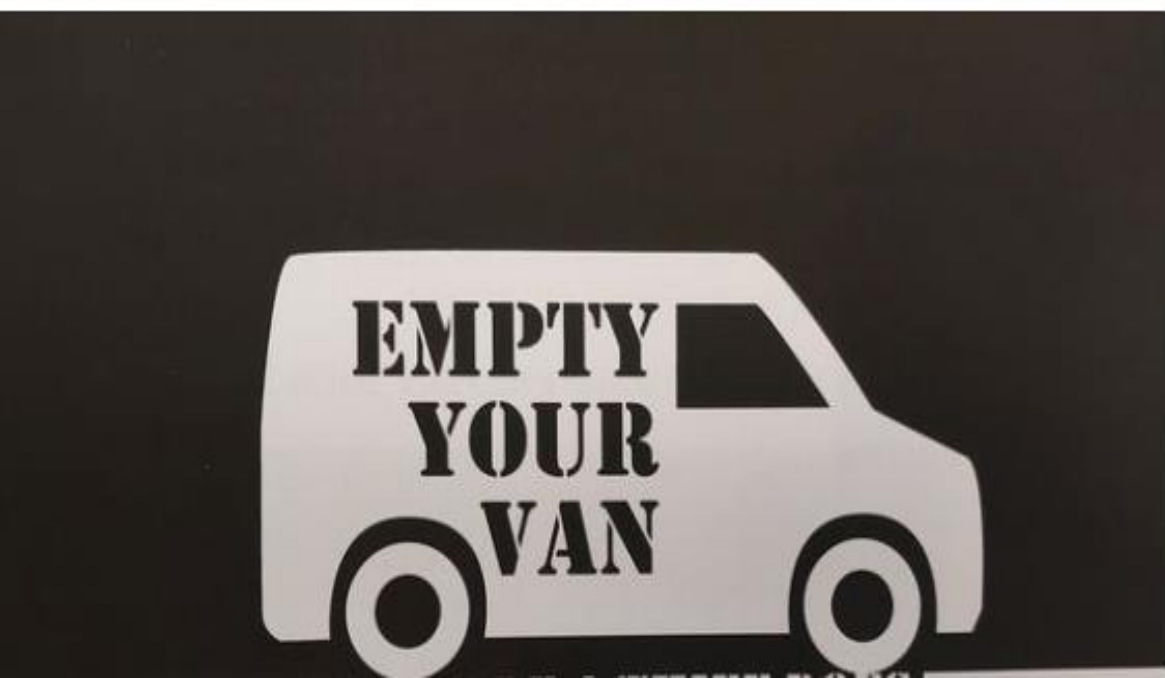

Register your tools with a recording website such as immobilise.

Engrave tools with name or postcode - or permanently mark them.

Do not leave anything on display (yes, people still do).

Offences typically in hours of darkness - Patrols are being conducted to catch those responsible.

PCSO Fisher & PCSO Waring from the #IverNHPT completed high visibility foot patrols around #BlackParkCountryPark today due to ongoing reports of Anti-Social Behaviour and a suspicious person. ✅ Please ensure all matters are reported via 999 in an emergency. #C6801 #C9853 #IverNHPT

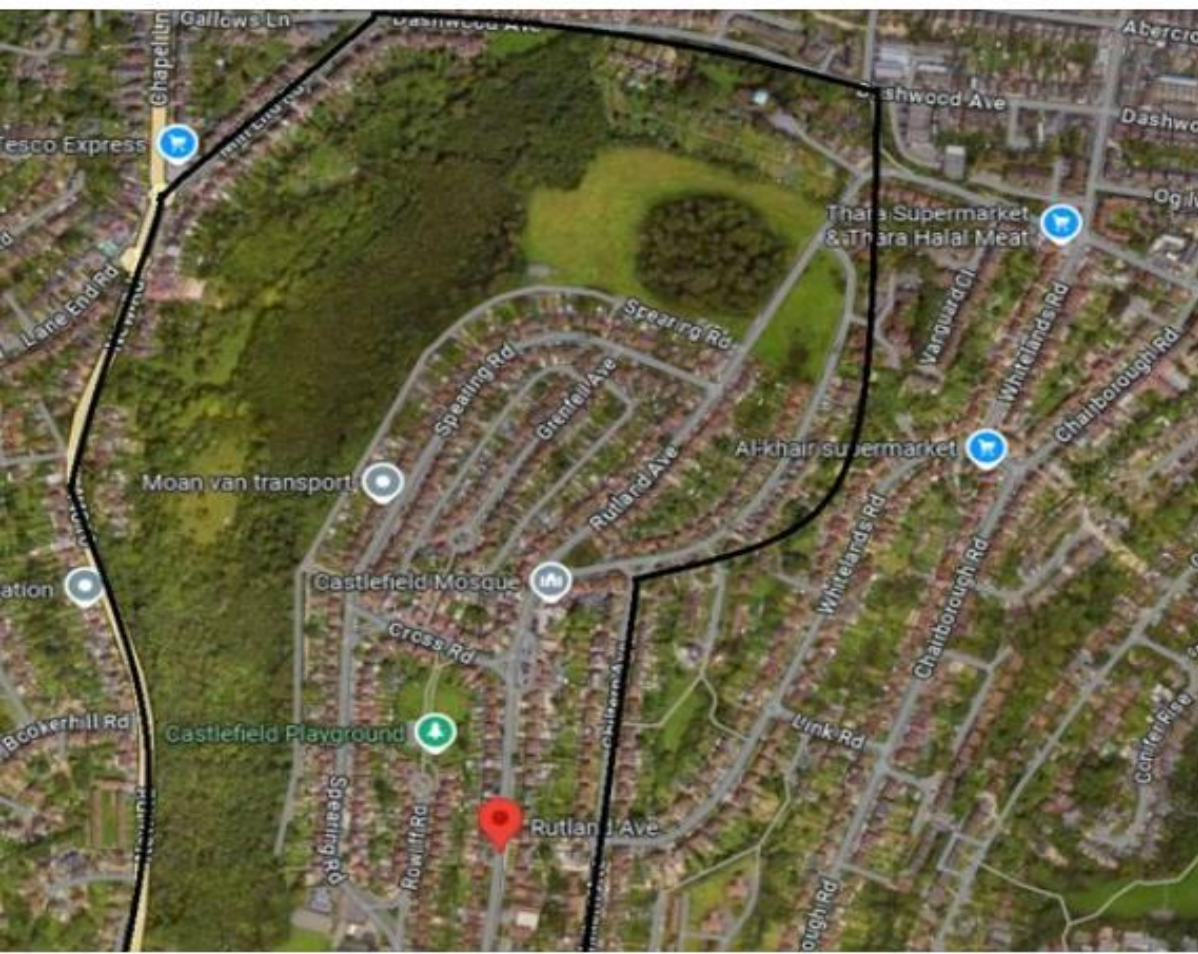

Following incidents of disorder in Wycombe last night, particularly in the Castlefield area, an arrest has been in relation to this and police are continuing to investigate.

Police will not be tolerating the behaviour seen last night under any circumstances. In response, a dispersal authority has been obtained for our most impacted area and is valid for the next 48 hours. This allows officers to direct individuals identified as likely to commit anti-social behaviour to leave the specified area. Individuals who are directed away from the area are not permitted to return until the dispersal authority expires. If found to be returning before then, this will then be a criminal offence and will be dealt with robustly. This legislation has been obtained to assist officers in protecting the public from further disorder in the days following. The area in which the dispersal authority has been enforced over is on the map below.

There will be a heightened police presence in the area today, with increased patrols being carried out to support the local community.

🔒 JAILED

Matthew Wootten, pictured, was sentenced to two years and eight months in prison at Reading Crown Court yesterday.

Wootten was also disqualified from driving for three years and four months.

He previously pleaded guilty to dangerous driving, damaging property being reckless as to whether life is endangered and drink driving at the same court on 5 August.

Just after midday on 25 June, Wootten was driving a white Volkswagen Scirocco, which hit the barriers at the entrance to Chequers on Missenden Road.

Wootten was found to have a blood alcohol reading of 221mg of alcohol per 100ml of blood after the incident. The legal limit is 80mg.

In total, he caused £32,641 worth of damage to the Victory Gate and £6,000 of damage to the bollards behind it.

Police are currently investigating 2 burglaries that occurred in the early evening of 31/10/2024 in Amersham (Roundwood Road) and Little Chalfont (Chessfield Park) We are still currently in the early stages of the investigation.

Please be reminded that as the evenings get darker sooner to [#KeepaLightOn](#), install CCTV/Ring where possible and keep vulnerable/expensive items secure 🏠🔒

OP GROTTO

It has been a busy couple of days for the Priority Crime Team on OP GROTTO. We had the support of our colleagues on JOU dog unit 🐕 and roads policing team 🚓. This resulted in a great stop of a suspicious vehicle, where two persons decamped. Luckily our officers were quick on their feet to get them detained. Then last night, officers were proactively patrolling around Aylesbury, Beaconsfield, Chalfont St Peter and Gerrards Cross. Remember as we get closer to the holiday season:

- make sure not to post on social media if you're away from home
- hide packaging for expensive items out of sight
- close you curtains or blinds
- use a timer to automatically turn lights on

📅 Tomorrow is Bonfire night 🔥

Are you familiar with the laws around fireworks?

1. It is illegal to sell fireworks to under 18s.
2. It is illegal for a person under 18 to possess an adult firework in a public place, this excludes sparklers, caps, cracker snaps, novelty matches, party poppers, serpents and throw downs.
3. Fireworks can legally be set off between 7am and 11pm, and on Bonfire Night between 7am and midnight.

Please remember :

- Fireworks can distress very young or elderly people as well as pets - please try to take steps to be considerate of your neighbours
- Fireworks can cause damage and serious injuries if not used properly
- Even small fires should be reported to the Fire & Rescue service on 999 - small fires can quickly escalate and firefighters are better equipped to deal with these situations

As always, if a crime is in progress or if you feel your life is in danger then call 999.

For non-emergencies, you can report crimes and anti-social behaviour online at

<https://orlo.uk/aHrB> or by calling 101.

🚗 KEEPING YOUR CAR SECURE 🙌

Now the clocks have gone back, the nights are longer and this gives criminals more opportunities to commit crime under the cover of darkness

Making sure your car windows and doors are locked without any valuables inside, parking in secure, well lit places and making use of CCTV for your driveway can play a big part in helping prevent car theft. If you have keyless entry on your vehicle there are additional tips to consider when it comes to securing your car:

📦 **Box It** - place your keys in a metal tin to block the signal it emits from travelling any further.

👜 **Bag It** - another option is to purchase a signal-blocking pouch and keep your keys in this when they're not in use.

❌ **Block It** - as an extra security measure, where possible, consider using other vehicles to block your key less car in so it can't be easily driven away.

🔒 **Lock it** - use old school security, such as a steering lock or wheel clamp to prevent the vehicle from being moved even if they gain entry.

The poster features a black header with white icons of houses and a building on the left, and the Thames Valley Police crest and name on the right. Below the header, the title 'Bonfire safety advice' is centered in a large, bold, black font. Underneath the title, a sub-header states: 'Buckinghamshire Fire and Rescue Service offer the following advice about bonfire safety.' This is followed by a bulleted list of seven safety instructions.

**THAMES VALLEY POLICE**

## Bonfire safety advice

**Buckinghamshire Fire and Rescue Service offer the following advice about bonfire safety.**

- Site well away from houses, garages, sheds, fences, overhead cables, trees and shrubs and always away from fireworks.
- Build the stack so that it is stable and will not collapse outwards or to one side.
- Never use flammable liquids - paraffin or petrol - to light the fire.
- Don't burn foam-filled furniture, aerosols, tins of paint or bottles.
- Keep everyone away from the fire - especially children, who must be supervised all the time.
- For an emergency, keep buckets of water or the garden
