Neighbourhood Officers came across a vehicle whilst on high visibility patrols in Chesham yesterday. The driver was uninsured so Officers were quick to take it off the roads. This serves as a timely reminder for all road users to make sure that your vehicles are correctly insured, taxed and MOT's are up to date.

You can run but you can't hide!

This moped failed to stop for officers in [#ChalfontStPeter](#) yesterday 🚔

A bit of detective work and a few hours later it was located after we discovered that its identity had been disguised using black tape on the registration plate 😬

Lacking both insurance and tax, the moped was seized and an investigation is now underway 🚔

👁️ Keep it out of sight 👁️

Vamoose burglary is the type of burglary that takes place specifically to steal car keys, often for high value or new vehicles.

Things you can do to deter the burglars...

🔑 Keep keys away from the doors and windows

🔒 Make sure all your doors and windows are locked

🔧 Ensure tools and ladders are not accessible

📱 Don't advertise that you are going on holiday online – wait to upload your snaps until you get home!

🚗 Consider alternative deterrents like steering locks or driveway bollards

📺 Think about activating or installing a tracking device

📹 Make sure your door bell camera is charged, or consider installing a camera if you don't have one already

If you have any information relating to a crime call 101 or report it online. In an emergency always call 999 📞

👮 MARLOW PCSO RESOLVES CALL TO SUSPICIOUS MALE AT CLAYTONS SCHOOL WORLD BOOK DAY

Marlow NHPT's PCSO Cydzik had to deal with this suspicious character whilst attending Claytons Primary School for World Book Day.

On closer inspection, she was not sure that all of the suitcase's contents were legitimate, but some words of advice to Del-Boy seemed to do the trick. Lovely Jubbly! 😊
