### BUCKS COMMUNITY ACTION DAY 🚔🚗

Officers from across the Local Policing Area joined forces today with our key community partners, for the March Community Action Day 🍷

Seen here are officers from Marlow NHPT helping Civil Enforcement Officers to try and educate the local community regarding parking issues and the safety issues that can arise from poorly parked vehicles. Engagement and education were the primary objectives for the day, however, tickets were issued where appropriate.

It was a busy one in #HighWycombe last night 🚓

A driver initially stopped for speeding on Amersham Road was also found to be in possession of cannabis. Drugs seized and driver received an out of court resolution 🚔

Another driver stopped on West Wycombe Road was found to be disqualified. They have been reported to court and their vehicle was seized 🚔

Two stolen vehicles recovered and a person under arrest following a call from an eagle eyed member of the public reporting suspicious activity! Investigation ongoing 🚔

APPEAL 🚔

We are appealing for witnesses to a GBH in High Wycombe.

At around 9.30pm yesterday (24/3), the victim, a boy in his teens, was assaulted by a group of young men in the area of Jubilee Road.

Anyone with information can call 101 or make a report online quoting 43240137047.

MURDER CONVICTION

Tyrell James (pictured) stabbed Karl Stanislaus 38 times and inflicted 56 knife wounds about his head, neck, torso, upper limbs and leg, before leaving him for dead beneath a disused railway bridge on the outskirts of High Wycombe on 5 September 2023.

Today at Reading Crown Court, James, aged 24, formerly of Hawksmoor Close, High Wycombe, was convicted of this brutal and frenzied murder.

A member of the public found Mr Stanislaus in Bowden Lane and tried to save him, administering CPR, but his injuries were unsurvivable and Mr Stanislaus died at the scene.

James also pleaded guilty to inflicting GBH with intent and possession of an offensive weapon following a separate stabbing of a man in his 30s in December 2022.

James will be sentenced at the same court on 30 April.

DCI Stuart Brangwin of the Major Crime Unit said: "The frenzied and ferocious nature of this attack on Mr Stanislaus is without a doubt one of the worst attacks I have ever seen, and there can be little doubt that James intended to kill him that night.

"The injuries sustained by Mr Stanislaus were unsurvivable.

"It was a shocking attack, and I am grateful to the jury for their deliberations and for finding this dangerous man guilty of this offence.

"I would like to take this opportunity to pay tribute and to thank the family of Mr Stanislaus.

"They have had to endure several months of anguish while we investigated this murder.

"I am humbled by their patience and dignity throughout this process."

🚔 PROACTIVE POLICING BY MARLOW NHPT 🚔

Marlow NHPT spotted and helped to bring this vehicle to a stop with help from other TVP South Bucks colleagues: Roads Policing, Dog Section and Armed Response. Great teamwork! 🍷  
The occupants are suspected to have been involved in several burglaries across Thames Valley region and on this evening were suspected of burglaries in the Marlow area. Investigations are ongoing.

Today Wycombe PCSOs visited our Mini Police group at Disraeli School to talk about how the police help vulnerable people.

Whilst we do often have to catch criminals and bring them to justice, it's not all we do! We're also there to look out for the most vulnerable, so to help with this, the children made Easter and Ramadan cards and poems which we then took into Hughenden Gardens Village, a local retirement village, to help residents feel even more supported and part of our community.

Here's a selection of some of the beautiful art work and writing that will be on display for the residents to enjoy over the Easter break. They certainly bring a smile to my face looking at them!  
Happy Easter, Happy Ramadan, or if not celebrating, we hope you enjoy a lovely few days off this long weekend.
